

Minneapolis Gun Club Jackpot Results April 23, 2011

It was about as exciting a shoot as you can get. EVERYBODY turned up the wick today. The scores were a little low coming in at first but then everybody got used to the conditions, cloudy, cold, with some wind mixed in. 46's were high for a while, then there were a bunch of 48's, Jerry Demulling comes in with a 49, and then, after shooting a 40, the Prez comes in with a 50!!! Congratulations Mark....very nice shooting!!!

Thanks to everyone who shot today and everybody who supported our Jackpot shoots this season. A great bunch of shooters that made a long winter easier to take. Have a great summer, practice up for the Jackpot's that will get going again in October.
