### Sunday June 19

We got 'er done today!!!! We went right into the Championship Handicap this morning and things clicked right along.

We ran 2 banks, 25 targets to a trap, switched banks for the 2nd 100 so everybody shot all 8 fields. The speed and height of the targets were checked/reset in between the 100's. It was a cloudy at first, then partly cloudy with little wind. It was pretty nice.

The first 100 targets went well with Tom Mavencamp posting a 97 as high score, with a 95 and 3 94's following. We turned the events after a short break to check for punches and a free lunch of roast pig. Scott Steffen was high in the 2nd 100 with a 96 and Jerry Demulling backing up his 94 in the 1st 100 with a 95. Now everybody was thinking that Jerry was going to be the first MGC Handicap Champion to repeat with a 189, but then came along Tom Mavencamp with his 93 to take the Championship with his 190.

Now if you haven't heard of Tom Mavencamp, maybe it's because he's 16 years old. He's a product of the Youth Shooting effort that has evolved in Minnesota in the last 5 years. He's from the St. Michael area and his coach is Scott Berning. Nice job Scott.

Here are the Winners of the 200 Handicap cash trophy's;

1st Thomas Mavencamp	190
2nd Jerry Demulling	189
3rd Darwin Bridgland	188
4th Dan Ward	187
