

# 2015 MINNEAPOLIS GUN CLUB CHAMPIONSHIP

Here you have it.....The 2015 Minneapolis Gun Club Championship. The big story of the weekend.....the High School Kids kicked butt big time.

Kory Miller, one of the most composed young shooters you've ever seen gathered a bunch of trophy's and won the big Handicap event with a combined score of the 200 target event of 190. Kory posted one of the two 100 straights in singles and won multiple trophy's in the Doubles events. Nicholas Prah, another High School up and comer, tied with a 98 in Singles, placed in the big Handicap event, and won his class in Doubles after only shooting Doubles 3 times before. And there is Max Bunning. Max is going to be a Freshman this year....in High School, won the MGC Handicap in 2013, won trophy's in Singles and Doubles this weekend and won HOA with 655X700 and received the 100 Straight Products 4 Gauge Bore Mic Set. Saturday afternoon all the shooters and their guests enjoy a great roast pig dinner compliments of Neil Winston.

Thanks to all that participated this weekend. Good Luck to all at the Minnesota State Shoot.
