

# Minneapolis Gun Club National Trapshooting Day

September 12, 2015

A beautiful September day with blue skies and light winds. The shoot started promptly at 10:00 AM and with the "Shoot your Doubles anytime" format, we were done by 3:00 PM.

With the Free ATA Life Membership for Sub Jr./Jr. on the line, there were many MN Youth shooters in attendance. While many of these young shooters turned in good scores it was hard to beat Max Bunning, who turned in the lone 100 straight for the whole shoot. Great shooting Max. Thanks to the anonymous donor for providing this great gift that Max will be able to use for hopefully 50 years.....or more.
