

2015 Minnesota Zone Shoots

June 20 & 21, 2015

Here are the results of the 2015 MN Zone Shoots. Thanks to everyone who worked so hard to make the Zone Shoots so successful! Here are the numbers as reported.

Northern: 43 shooters

Southern: 24 shooters (only 20 in Zone, 4 outside of Zone)

Central: 47 shooters

Numbers were lower than normal because many youth shooters were participating in the High School Championship Event, and many coaches are also ATA shooters.
