Minneapolis Gun Club Jackpot January 22, 2020

Today was certainly better than last Saturday. 35 degrees warmer to start with but a little drizzle at times and pretty dark clouds. For a Wednesday we'll take it.

David Maples showed 'em who was boss today by posting the high score. Nice shooting David.

Thanks to everyone who shot today and a big thanks to Bob Wiltse for bringing those outstanding Goose Snack Sticks. Tucker had something to do with those too. Good stuff.

Ahhh, no ties. :>)

Saturday, we're gonna do it again. The weather is still supposed to be nice and a little brighter. Big scores....

Hope to see you there.
