

Christmas Jackpot at Minneapolis Gun Club

December 19, 2015

Merry Christmas to all!!!! To those that missed yesterday....you missed a good one. We had a great crowd with lots of appetizers, big ass hams, and we were throwing White Flyer GREEN Targets. Everybody seemed to like them, when the sun was out, lots of 25 straights and big scores. And, and...we had a surprise visit by SANTA CLAUS!!!! And with Santa Claus....comes gifts. Sandra Jo Jack had some very nice handouts from CZ-USA. Hats, silicone gun sleeves and beverage canisters. Sandra Jo let us know that CZ-USA, with her help, is going to be offering a dedicated Trap Gun soon.

The day started out cold, the coldest of the season so far, 9 degrees, and with of all things, a SW "breeze". It ended up being 26 degrees but you could feel the "bite" of that breeze. The big scores?? Two 49's were posted, one by a veteran shooter, Scott Steffen, and one by a 14 year old New Prague High student, Woody Glazer. Now Woody might be young but he is one of the coolest, calmest, focused shooters that steps to the line. At last year's Grand American I think he was in 3 shoot-offs and some of them were under the lights. Nice shooting Scott and Woody.

The hams.....All the hams were given out for 25 straights, no reverting to the next lower score for this one. There were a ton of 24's shot also, some of us missed our last target out, well, maybe it was just me, but they didn't count this time. The ham winners were....Ken Norman, Jim Deering, Dennis Kecker, Terry Peterson, Curt Peterson, Woody Glazer, Scott Messenger, Sandy Jack, Dennis Minks, and Scott Steffen. Nice shooting guys and gal.

The pictures below Santa's Squad. Jim Karels, Jim Deering, Santa, John Podergois, Dennis Kecker. David "Santa" Maples. CZ-USA handouts, thanks Sandy.

Thanks to Scott Steffen, Dennis Minks, Sandy Jack, Glenn Linden and others that brought the great food. The German Chocolate cake was scrumptious.

OK, the scores. TEN different winners....That's a great day. Thanks to everyone who shot today.
