PRESIDENT'S MESSAGE

Hello everyone. Welcome to Minnesota and the 105th Annual Minnesota State Trapshooting Tournament. As I think about this year's State shoot and looking back on the past few years, we have had two years of record setting Handicap events, and I wonder what could be in store for us this year. In 2013 we had Son and Father take the top honors with 100 and 99, Jason and Dennis Vlasak. IN 2014 we had twin brothers take the top trophies with 98 and 97, Bob & Tom Petty. Also in 2013 we had a record 4--100's shot in the different handicap events. What better testament for great targets and tournament.

With that being said we will start off our week on Monday, July 6 with the whole day being dedicated to our youth shooters. Tuesday we will start the shoot for everyone with the Warm Up Singles, Handicap and Doubles. Following the events on Tuesday we will once again be having our pork chop feed. This feed is in appreciation for our shooters who support the MTA and other gun clubs throughout the year. Without you we would not be able to host such a great shoot and hold it at a facility as nice as Alexandria Shooting Park.

Wednesday, July 8 will begin our High Over All events. Thursday evening we will have our Miss and Out tournament with free brats and polish sausage for all who wish to watch or participate. This fun event is being sponsored by Bob Schultz of Target Shotguns Inc. If you run into Bob at any other shoots or in passing, tell him thanks. This is Bob's sixth year in sponsoring this wonderful event. The Miss and Out Tournament will be held outside the main club house at the practice trap field.

On Friday evening we will hold our Shooter Recognition Banquet in the main clubhouse. We will have a presentation of awards to the shooters and recognition of their accomplishments throughout the year. Following the banquet we will once again hold our live auction. Once again this year's live and silent auctions will be put on by the MTA and we would ask that if anyone wants to donate any items for the auction to just contact any MTA board member and we will make sure to get your items listed. The MTA appreciates any auction items given.

On Saturday morning the MTA will hold the Annual Meeting of the Minnesota Trapshooters Association. They will elect any new board members and conduct any new business that needs to be take care of. Everyone should try to attend to show your support and see what's happening in your Association. The meeting will be held at 8 a.m. in the main clubhouse.

Again, we would like to thank our event sponsors and advertisers for their continued support and dedication to the MTA and our State Shoot. Don't forget to thank the sponsors yourself if you get the opportunity. I hope to see everyone at the shoot and doing well.

I wish everyone to have a great shoot. If there is anything we as your MTA board can do to help just let us know. We are receptive for any and all suggestions. Thank you very much and have a great shoot.

Your Minnesota Trapshooting Association President

Scott Steffen

CATEGORY SHOOTERS

SPECIAL ATA CATEGORIES

(from the 2014 ATA Rulebook, Section IV, Paragraph J.)

All Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady I, Lady II, Sub Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran). Note: Chair shooters are exempt from this rule.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I.
2. A female shooter, who has reached her 55th Birthday, may declare Lady II.
3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd birthday may declare as Junior Gold.
6. A shooter who is 55 but not reached his/her 65th birthday may declare as a Sub-Veteran.
7. A shooter who is 65 but not reached his/her 70th birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
9. Age-based categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/she shoots shall be used.
10. Shooters who become eligible for new age-based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

When there is no Sub-Junior trophy Sub-Juniors will be included in the Junior category. Senior Veterans will be included in the Veteran category when there is no Senior Veteran trophy. Where there is no Junior Gold or Sub-Veteran Trophy, these shooters will be included in the Open Class. Where there is no Lady II trophy, these shooters will be included in the Lady I category.

SPECIAL MINNESOTA-ONLY CATEGORIES

MN LADY B (Previously known as Lady II) applies to female shooters whose Singles Category is Class C or D.

NOVICE CATEGORY applies to shooters with no registered targets prior to the current ATA target year.

MINNESOTA TRAPSHOOTING ASSOCIATION 2014 HALL OF FAME INDUCTEE

DICK THOMPSON was born and raised in Glenwood, Minnesota. As a young man, Dick was a fishing guide on Lake Minnewaska and, as an adult, worked and retired as an agent for Soo Line Railroad in Glenwood. Dick started shooting in 1960; it became Dick's passion that lasted until the day he died in 1997.

Going to the Grand American at Vandalia, Ohio, was the highlight of Dick's year. In his early years of attending the Grand American Dick would win enough money playing the Options to pay for all of his shooting at the Grand. Some accomplishments he achieved included winning the 1979 MN Handicap Championship (98x100) and the 1994 MN Vet Singles Championship (197x200). He and his wife, Phyllis, never had any children, and they traveled around the state and beyond to different clubs and registered shoots until she took ill and passed away.

Dick was one of the greatest ambassadors of the sport of trapshooting. He had a warm welcome for everyone attending the club and would always greet a new shooter and assist them in learning the sport. Although difficult to determine an actual number, those who knew Dick stated that he recruited countless individuals to join the ATA. There were many years Glenwood Gun Club did not have money in the account to open the club or pay the insurance. Dick would pay that out of his own pocket, and reimburse himself after the club was back in the black. He left the club \$10,000 upon his death which allowed the club to update to automatic traps. Without his dedication and love of the sport, the Glenwood Gun Club would probably not have survived. One of Dick's desires was to see the Minnesota State Shoot come to Alexandria. Unfortunately, he didn't live long enough to see that change occur as he died three years before its move. Dick would also have been ecstatic with the direction the Minnesota Clay Target League has gone as he had great enthusiasm for youth shooting.

Dick's greatest strength was his patience and caring for others, and his effort in recruiting new shooters to the sport. There were none greater in representing the sport of trapshooting. Ask any elder shooter that knew him to use one word to describe Dick, and that word would be "gentleman".

HELP SAVE LABOR COSTS

Alexandria Shooting Park has done a great job controlling our labor expenses since they started holding our shoot. To help maintain our low costs, the club and the MTA request that shooters not wishing to save their hulls please catch them and hold them in a bag until you are finished shooting, then discard them in a trash bin.

This will save the labor time required to clean up our fields.

Thank you for your help.

SHOOTERS

The MTA supports the continuing efforts of the National Rifle Association.

We encourage every shooter to join the NRA and support their diligent work to protect our rights as shotgun sportsmen and sportswomen.

Please visit the NRA booth at this year's State Shoot!

MINNESOTA TRAPSHOOTING ASSOCIATION

ANNUAL MEETING

Saturday, July 11, 8:00 am

Please note that the Annual Meeting of the Minnesota Trapshooting Association will be held SATURDAY MORNING AT 8:00AM. Any new business a member would like to discuss and vote on at this meeting must be submitted in writing to the Secretary of the Minnesota Trapshooting Association at least TEN DAYS PRIOR to the date of the Annual Meeting. Any requests submitted will be posted on the bulletin board on the grounds at the State Shoot.

NOTE: CLASSIFICATION, CASHIERING AND SQUADDING WILL BE OPEN FOR OUR YOUTH SHOOTERS *ONLY* DURING THE ANNUAL MEETING.

During the Annual Meeting we will review the past year's financial details, any new business, and hold our annual elections. Each year there are several open offices up for election so it is important all members make every effort to attend.

We will be holding the voting on both Saturday and Sunday. After the close of our meeting on Saturday, the Secretary will gather all nominations and prepare numbered ballots. Each name entered into nomination during the Saturday meeting will be on the ballot. Eligible voters having registered ATA targets in at least two different years and in physical possession of a current ATA paper average card will be able to sign for and pick up a ballot. Ballots will be available at the Classification desk after Saturday noon. Each voter will then have until Sunday at 10:00AM to complete their ballot and place it in the ballot box, which will be located at the Classification table. Ballots and the ballot box will only be available while an MTA board member is present at the Classification table.

Votes will be tabulated by the Secretary and Senior Zone Directors. Nominees with the highest vote count will be posted on the bulletin board by 1:00pm Sunday.

The MTA Board voted to adopt this procedure to both comply with ATA rules and to allow all members to have a greater opportunity to vote. The Board encourages all members to exercise their voting rights, and invites all MTA shooters to volunteer their time and talents to help benefit the shooters of Minnesota.

HOW THE ATA SUPPORTS STATE ORGANIZATIONS

The ATA, in its program of building strong state associations, aids them financially. From each \$20 ATA annual membership, \$2 is returned to the state organization. From each \$500 ATA life membership, \$250 is returned to the state organization over a ten (10) year period, and part is retained in a special ATA emergency fund.

From the \$3 daily fee you pay, twenty percent (20%) is returned to the state organization.

The MTA's refund for 2014 from the ATA is \$5,555.00

MTA'S COMMITMENT TO YOUTH SHOOTING

The Minnesota Trapshooting Association is committed to actively promoting trapshooting to young people. We encourage every shooter to take a kid out to the range and teach them safety, respect, and the responsibility that goes along with any shooting sport.

Please take the time to build a youth program at your local club. The future of our sport and all shooting sports is in our young people. It is our responsibility to provide them with positive experiences that will start them on the lifelong enjoyment of trapshooting.

YOUTH DAY

(Minnesota Residents Only)

Monday, July 6, 2015

FREQUENTLY ASKED QUESTIONS

Who can participate? Youth Day is for Minnesota resident youth shooters who fall into AIM age-category guidelines and who are currently enrolled in or have just graduated from school (high school, tech school, college or university).

Do I have to bring my own shells? Yes. Due to increased shell costs, the MTA will no longer be providing free shells to the youth shooters. You will be required to bring whatever you will need to shoot the events you choose for the day. Shells are available for purchase on site.

What else should I bring with me? Bring your ATA membership card (the hard blue or orange card with your ATA number on it), your ATA paper average card, a check or cash for registration, your gun and shooting supplies, and be prepared for a fantastic day! Many shooters also bring a small cooler with snacks and drinks; a free lunch is provided for shooters. Alexandria Shooting Park will also have items for purchase.

Is it expensive for my youth shooter to participate? No, in fact the MTA grants each Minnesota-resident youth shooter their 1st 100 shells free! In addition, free lunch is provided onsite for shooters. Please make sure your shooter has enough money to pay for registration, shells (if necessary), incidentals and refreshments.

Does the MTA take credit cards or debit cards? No, cash or checks only. There is no ATM onsite so please make sure your shooter comes prepared.

What time should I arrive? Registration begins at 8:00am so plan to come early and be prepared ahead of shooting time, especially if you are looking to join a team or for someone to complete your team. Shooting begins promptly at 9:00am.

I'm a Sub-Junior but my friends are all Juniors – can I shoot with them? Yes. Youth shooters of different age categories may choose to shoot together however, for team award purposes, the shooter with the oldest age category will determine the category for the entire squad. For example: 4 Sub-Jr's and 1 Junior shooting on the same squad will be considered a Junior squad for team purposes only.

I do not have a team. Can I still compete? Absolutely! Youth Day is both a team and an individual competition. Sometimes there are partial teams looking for shooters in their category to make a full team too, so check with shoot staff when you get to this year's Youth Day for more information.

When will trophies be awarded? The Awards Ceremony will convene 1 hour after the Youth Event has completed.

More information will be mailed out to current ATA youth shooters, gun clubs throwing ATA targets in 2014, and available online at the MTA's official website www.minnesotatrap.com.

If you have specific questions regarding Youth Day, please contact Mark Stevens (612-703-6155) or Sally Stevens (763-486-0853).

WHAT IS THE DIAMOND BADGE AND WHY DO WE SHOOT FOR IT?

The historic Minnesota Diamond Badge has been in competition since 1885, when George Baldwin of St. Paul won it with a score of 43x50. The badge was donated by the St. Paul citizens and was competed for at the State Fair. The badge was an elaborate affair in design, with guns and other sporting designs, and carried a perfect one-karat diamond in the center. It was a perpetual badge never to be in the possession of any one individual.

The Minnesota Diamond Badge originally consisted of 26 targets at 16 yards and 12 pair of doubles, for a total of 50 targets. It was considered the Minnesota State Championship from 1885 through 1913 until the American Trapshooting began State Championships in 1914.

Each year Minnesota shooters relive the past by competing in a fun shoot with hopes of being honored a Diamond Badge replica. While the shoot format has changed, the competitive spirit associated with Diamond Badge lives on. Good luck today, shooters!

The Minnesota Trapshooting Association is the current custodian and it is kept locked away in a safety deposit box in St. Cloud, MN.
