GENERAL INFORMATION

ATA Rules will govern this shoot. Any discrepancies
will be resolved by the Grand Rapids Gun Club's
Handicap Committee.

**Daily ATA & MTA fees must be paid
by each participating shooter.**

Should you win or tie for high in any 16-yard event or
earn yardage in any handicap event, it will be your duty
to report to the Handicap Committee and have your
classification or yardage changed.

Anyone entering the "Grand Rapids Jackpot" and
breaking 50 straight (1st, Middle, or 3rd) handicap
targets will receive 1/3 of the total jackpot. Ties divide.
No shooters may win more than 2 - 50's in the event.
Remainder of the Jackpot will carry over to the next
Handicap Event and be added to the daily entries to
provide a new jackpot for that event.
