### National Trapshooting Day

The Minneapolis Gun Club hosted their annual National Trapshooting Day on September 1, 2019

It was a perfect day to be participating with light winds and after a sprinkle, sunshine through light cloud cover.

We signed up a few new ATA members and had a good turnout of current members.

The “Hot Shot” of the day was Randy Jones, the newly elected MN ATA Delegate. Randy duplicated his 2018 NTD streak by posting a winning score in each venue. Great shooting Randy.
