from the back, then Handicap from the front.**

A great day shooting on the last day of winter.....Yahoo.....50 degrees....finally. 81 entry's today....Thanks to everyone who shot.

The Hebrew Hammer comes out of hibernation hoping to see his shadow, which he did, and proceeds to put the hurt on the targets and his competition!!! Nice shooting Charlie. All Americans Cheryl and Jerry made the trek from Wisconsin worthwhile and take home a bunch of cash. Nice shooting you two.

Good luck to all of our shooters that are going to San Antonio to practice up for our \$1000.00 added money Final Jackpot that is April 23<sup>rd</sup>. Last day to qualify for the Final is April 16<sup>th</sup>.

Hope to see you here next week.
