

Minneapolis Gun Club Jackpot Results February 11, 2012

Whew, what a day. Coolest day so far this winter for a Jackpot shoot. 1 degree temp at the start with a 15-18 mph wind = 20 degrees BELOW 0.

Thanks to everyone who braved the weather today. Came close to 50 entry's which was outstanding.

With the weather conditions only 1 25 straight was posted. Nice shooting Dennis Kecker. An executive decision was made to award the remaining Heat Shaped boxes of candy to those that posted 24's.
