55 DEGREES ON THE 12<sup>th</sup> OF NOVEMBER!!! Thanks to the great shooters that support our Jackpot shoots, another day with over 80 entry's. The sun was out and so were the big scores. Five 49's were posted. Two each by Scott Messenger and Dennis Kecker and one by Bob Smith. There were enough 46's, nineteen of them, that that score took 2 Lewis classes. There were enough ties that the "tie breaker" went to the very end. An outstanding warm-up if there ever was one.

Next Saturday, the real deal, the Thanksgiving Turkey Jackpot. The Northern contingent of shooters will be at MGC to take home as many birds as they can and Sunday the MGC shooters will travel north to show 'em what's up. Shoot a 25, take home a turkey. By chance, if all the birds don't get claimed by 25's there will be a random drawing for the prizes.

Hope to see you at both clubs.
