

Minneapolis Gun Club Jackpot Results November 19, 2011 Thanksgiving Turkey Jackpot

A wild weather day at MGC. Started out just cloudy and cold. From there it went to light rain.....sleet....and then snow....driven sideways by 20 mph winds. But, the shooters showed up in force. 10 squads went out to brave the elements, and try to post a 25 to win a turkey.

The Nort'rn shooters were there early to get on the first squads, and sway some MGC regulars to post scores for Del Tone. What's up with that? First squad shot, the score sheet showed up about an hour later, but no 25's. Second squad out, no 25's. Finally, on the 4th squad, Scott "Iron Man" Steffen got a 25 in singles. Nice shooting Scott.

That's how the day went. After about the 8th squad, we decided to draw names for the turkeys. Here are the lucky ones;

Scott Steffen, Ray Steffenson, Al Doucette, Troy Smith, Bob Smith, Jack Swanson, Jim Walden, Denny Steinhaus, John Houle, and Mark Zauhar.
