Single digit temperatures in the dead of winter make for some tough shooting. Dr. Lindquist, or Dr. Kevorkian, as some of the competitors that have watched him call the coin flips refer to him, showed 'em what he's made of on such a nasty day. Word has it he had 10 of those gas fired hand warmers strategically placed on his body so his mind would think he was in Arizona. Whatever Doc, nice shooting. Thanks to everyone who shot.

This coming weekend, February 9th, we will be hosting our annual Valentine Jackpot Trapshoot. Shoot a 25 straight and win a Heart Shaped Box of Chocolates!!! And, enter the event 3 times or more and your name will be placed in a drawing for a beautiful 1ct. t.w. Heart Shaped Diamond Pendant. Hope to see you there.
