A new Top Gun!!!! Dennis' name missing from the winners list??? Yes, he was shooting today, but, like most of the other shooters he had a little trouble with the 25 mph winds and the single digit temps. Nice shooting Stan. It was cold enough today that for the first time in years the participants came in to warm up between singles and handicap. It was cold today. Thanks to everyone who shot today. Hopefully it will be warmer next weekend. Hope to see you at MGC.
