Another beautiful day in November. 56 degrees with a brisk south wind to make the targets challenging. The 25's were slow to come in, lots of 24's, then Scott Steffen broke the ice and ran the Handicap targets. The day turned out to be the Glenn Linden Benefit Shoot, but, if you hit the targets and put a string of them together, it pays off. Nice shooting Glenn. High score of the day was a 48. There were 3 of them, but after the notorious coin flip, there were only 2 that counted. Nice shooting Dennis and Scott Steffen. I want to thank everyone who shot today, it turned out to be one of our biggest Jackpot Shoots. On behalf of the Minneapolis Gun Club, I would like to wish everyone a great Thanksgiving and if you're traveling, have a safe trip. Jimmy Bowen
