A cool, cloudy day in the 40's but no wind to speak of. Lead mining equipment moving around in front but they didn't seem to bother Denny and Renee. Nice 49's guys. I know one of them will be kicking himself for missing the first target. He sure looked good hitting all the rest of them though. Thanks to everyone who shot today. Saturday November 1 be our Thanksgiving Turkey Jackpot Shoot. Hope to see you next Saturday.
