

## Minneapolis Gun Club Jackpot Results December 22, 2012

Whew, what a day. Lots of shooters but they were all struggling and couldn't figure out why. Beautiful blue skies, little or no wind, and the targets were flying good. First targets out...loss. Last targets out for a Lewis Class win....loss. Many of them walked off the line shaking their heads. Winter shooting...all bundled up, restricted movement, eyes watering...all kinds of excuses. But, the hams were there for the taking and they wanted 'em bad.
