It was a beautiful day to be out bustin clays at MGC. The North, West, South, East winds made the targets dance a little but the nice weather made it bearable. The surprising thing was nobody took the \$100.00 for a 50 straight. Although, Jerry Demulling got close with his 49 that he called in from Iowa. Nice try Jerry.

The regular Jackpot season will start September 29th and run every Saturday. Start time will be 10:00 AM.

Thanks to everyone who shot today. See you on the 29th.
