81 degrees on the Jackpot opener at the end of September. Beautiful sunny skies, light winds and lots of shootin going on. A great day to be out bustin clays. We had a great turnout and lost of good scores. Curt came close with his 49 and there were a bunch of shooters turning in 48's trying to bump him off the top of the leader board.

Thanks to everyone who shot today. Jackpots are every Saturday from here on. Hope to see you next week.
