

## Minneapolis Gun Club Jackpot Results April 12, 2014

Not too bad of a day but not close to what the weather forecasters were talking. But, we didn't have to shovel anything, at least not outside, so that's a good thing.

Leo Switala did it again today, squished Dennis like a bug, and took top spot. Nice shooting Leo. Looks like someone is ready for that final Jackpot.

Next Saturday, April 19th, we will host our Easter Ham Jackpot. Shoot a 25 and bring a nice bone-in ham for Easter dinner. There weren't all that many 25's today so hopefully next week we'll be able to award them, if not we'll do a random drawing.

The Jackpot Finale will be April 27th. You will be able to qualify up to and including the 26th. There is still time for those that are close.

Thanks to everyone who shot today. Hope to see you on Saturday.
