

## Minneapolis Gun Club Jackpot Results December 14, 2013

A heat wave in Minnedamnsotha!!!! Well, at least it felt like it after last weekend. A balmy 16 degrees today and a bunch more 25's on the board. I think the shooters are getting used to the weather. 4 places paid out and 4 different winners; that's good to see. Thanks to everyone who shot today. And to the SW MGC Jackpot Shooters.... Yeah, Cheryl Demulling called in some very good scores but it was just after the coin flip so we couldn't include 'em. Jerry with a 100 straight, Cheryl with a 99 and Tom Sletta with a 98. Nice shooting!!!
