

Minneapolis Gun Club Jackpot Results January 25, 2014

OK delayed results.....

There wasn't a huge group to shoot but shooters we did have. Even with the 4 degree temps and a 20 mph wind. To say the least the targets were "sporting" but there is always someone who steps up and busts a good score. On Saturday that shining star was David Maples!!! David bundled up and went out and broke 44 of them bricks. Nice shooting David!

1st Class....David Maples 44

2nd Class....Leo Switala..finally...33

No ties so no flip.....I felt "lost".

On February 8th we'll be hosting our annual Valentine Jackpot Shoot. Shoot a 25 and bring home a very nice heart shaped box of candy for your sweetheart. And....enter the event 3 times or more, and we'll be giving away a heart shaped diamond pendant...in addition to the daily cash payouts.

Hope to see you there.
