

## **Minneapolis Gun Club Jackpot Results January 4, 2014**

Yeah Baby, that's right.....a 50 straight was shot today at our weekly Jackpot Trapshoot. Now to some people that isn't a big deal, but, the conditions were....50 yard targets, yeah we have a 50 yard stake, 14 degree temperature, 15-20 mph NW winds, -10 degree wind chill!!!! The "straight-a-ways" were about 15 feet off of center @ 50 yards because of the wind, the rights were being driven wide and low and the lefts would skyrocket at times. Not an easy day to collect the \$100.00 50 straight bonus. But 'ol Dennis Kecker bore down and soot-balled all but one of Handicap targets and he made the Singles look easy.

**NICE SHOOTING DENNIS!!!!!**

The scores were....

**1st Class....Dennis Kecker 50.....Virginia Schmidt 46**

**2nd Class....Jimmy Bowen 39.....Scott Steffen 37**

**Ties???? There weren't any ties so no flipping of the coin....and Jimmy Bowen still wins a class!!!! With witnesses on hand too!!!**

**So how cold was it really???? This is Tony Winick going out to "play".**

**Next Saturday...same place, same time. Hopefully it will be warmer.**

**Jimmy Bowen**
