

Minneapolis Gun Club Jackpot Results November 16, 2013

A warm day, 50 degrees in the middle of November, but thick cloud cover, a mist in the air and then lighting and thunder. The ever changing Minnesota weather...it makes the shooting interesting.

A new High Gun, thanks to the flip of the coin, Terry Peterson. Nice shooting Terry.

1st Class....Terry Peterson 47.....Dennis Kecker 47

2nd Class....Lenny Lindquist 43....Lenny Again 43. Nice shooting Lenny.

3rd Class....Joe Marino 40.....John Bacon 40

Thanks to everyone who shot today. Next Saturday, November 23rd, we will be having our annual Thanksgiving Turkey Jackpot Trapshoot. Shoot a 25 and take home a nice bird for the family to enjoy. One per shooter and if they aren't awarded for 25's shot they will be given out by random drawing. Hope to see you there.
