

Minneapolis Gun Club Jackpot Results September 28 & 29 2013

What a great start to the 2013-2014 MGC Jackpot Trap Season.

In some really bad conditions Reney Langlois runs a 50 straight on Saturday and on Sunday there were 3 49's posted with a good mix of 48's & 47's.

Saturday's flip to decide ties was Handicap from the front which usually settles things pretty quick but Sunday the flip was Singles from the back and that took a while. 18 25 straights in Singles and 2 25 straights in Handicap. The competition was pretty stiff.

And the Wisconsinites were very well represented and took home most of the cash.

Thanks to everyone who shot and traveled the long distances to spend the day at MGC.
