

Minneapolis Gun Club 2016 Finale

April 23, 2016

What a great day to have the 2015/2016 MGC Jackpot Finale!! Blue sky, a "reasonable" south breeze, charcoal grilled brats, and lots of nice flying White Flyer Targets. The scores came in fast and furious from the get go. Ken Norman posted a 49 on one of the first squads out, 3 more were posted throughout the day and on one of the last squad's out, Scott Steffen posted another one. Jerry Demulling, Curt Peterson and Ray Monson posted the others. Great shooting guy's.!!! You won't see it on the Lewis Class postings but there were four 48's shot also. We had a good mix of guns being used today, there was even 1 Kreighoff in attendance, but again, a Bowen gun took home the most \$\$\$.

MGC would like to thank everyone who participated throughout the season and hope you all have a great summer and remember, the more of those registered "Jackpot practice" shoots you go to, the better prepared you'll be for the next Jackpot season. Plans are to open the 2016/2017 MGC Jackpot season over Labor Day Weekend with a Saturday/Sunday shoot. We'll keep you posted.
