

MINNEAPOLIS GUN CLUB EASTER JACKPOT RESULTS

March 26, 2016

Saturday the rain held off until the shooting was over, about 3:45 or so. That led to some good scores and a lot of 25 straights for the ham shoot. Prior to this shoot the 25 straights that were posted in the Jackpot were a lot lower than today. Just goes to prove what good prizes, AKA free food, will make a trapshooter do.....CONCENTRATE!!

I mentioned a couple weeks ago that Woody Glazer had gained 3 yards in Florida and on his last day there he picked up another 1 1/2 yards for 4 1/2 yards total. Now he's shooting from the 25 1/2 and takes high score today. Great shooting Woody and to the other 48's that were posted.

Thanks to everyone who shot. We're coming down to the end, 3 more weeks to qualify then the finale.
