

Minneapolis Gun Club Jackpot Shoot Results

March 17, 2018

Finally, a GREAT weather day at MGC. Temp got up to 49 degrees, plenty of bright warm sunshine, and wind at 1 mph with gusts up to 3.6 mph. It was a perfect day for Kilts!!! It doesn't get much better than that.

With the warm weather came the shooters, some that haven't been to a MGC Jackpot shoot for some time. It was good to see people come out of hibernation. Maybe it was the green targets and the free burgers???? Last count was 30 some burgers. Maybe we should do that every week!!! Or maybe it was the delicious Irish stew and the Bailey's Chocolate Fudge cake??? We could do that every week too. But then St. Patrick's Day wouldn't seem so special.

High score today was posted by Scott Messenger, nice shooting Scott, and lots of 25 straights posted.
