

Minneapolis Gun Club Jackpot Shoot Results January 27, 2018

A nice day at the MGC traps for the end of January. A little bit of a breeze, sunshine, and 30 degrees. Not bad.

Scott Steffen, still fighting off the dreaded flu virus that's going around posted a 46 for high score today. Leo Switala, still on a comeback from his heart attack had the only 25 straight today. Nice shooting guy's.

Thanks to everyone who shot today. In 2 weeks we'll be hosting the annual MGC Valentine Jackpot. Boxes of chocolate, Lewis Class payouts, and a chance to win some diamonds.
