

Minneapolis Gun Club Jackpot Shoot December 15, 2018

Another great day at the MGC traps. PLENTY of sunshine, light winds from the S/SE, and 43 DEGREES!!!! For December 15th....we'll take it.

With the nice conditions came the good scores. 25 straights were pretty common along with the 46 and 47 scores. But we all know that someone is going to "fix" that. Ole Curt Peterson, yeah the one that had high score last week, goes out, keeps his head down, and pops off a 50 straight!!!

Nice shooting Curt. And of course, he played the Perpetual Purse, for three whole dollars, and gets a butt load of cash from that, a flat of shells and the daily Lewis cash payout. He's making the drive worthwhile. Way to go.

So, back to the "regular" shooters....the guy's posting the 47's were licking their chops hoping they would be the one to take 2nd place 1st class. Ha, Tim Mackey had other ideas about that. He puts up a 48, knocking all the 47's out of the game. Then on the last squad out, Jimmy Brand posts another 48. Nice shooting both of you....but only one was taking home some cash.

Next Saturday, December 22nd MGC will be hosting their annual Christmas Ham Jackpot Trapshoot. We'll have 10 delicious hams up for grabs. Shoot a 25 in either Singles or Handicap and you'll be a winner. If we don't have ten 25 straights we'll take the next high score. One ham per shooter. Also, we're inviting everyone to bring a dish to pass if you're so inclined. In the past we've had a great array of food so show up hungry. Shooting will start at 10:00 AM. Show up early and shoot often. Hope to see you there.
