

Minneapolis Gun Club Jackpot Shoot December 1, 2018

A blustery day today at MGC. A E/NE wind at around 15mph gusting to 22mph, temps at the upper 20's and really dark overcast clouds. The snow storm held off until 1:30 and then it came down heavy.

The conditions bothered a lot of us, but not so much David Maples. David clinched both places in the 1st Lewis Class outright. No ties, no long runs, just the 2 high scores. Great shooting David.

1st Class

David Maples 44

David Again 43

2nd Class

Jeff Rempel 37

Lenny Lindquist 37

Ties = Singles from the front.

Thanks to everyone who shot today and a big shout-out to Tim Mackey for enlightening us with his wisdom and positive suggestions for correcting all the things we are doing wrong. And to pick up his winnings from last week. :>)

Christmas Ham Shoot will be on December 22nd. More on that next week.
