

Minneapolis Gun Club Jackpot Shoot

December 22, 2018

Here we go. Too much Christmas Cheer last night and a pot of coffee this morning, here's the shoot results.

MGC was rock'in and roll'in yesterday. The clubhouse was packed, lots of banter going on, a very nice spread of appetizers and sweets to enjoy and some new faces. It was a great Holiday shoot. Thanks to everyone who attended, from near and far, some 3 hours away, to help make it one of the best shoot's that we've had.

With the nice weather for this time of year, the hams on the line, and the competitors that were present the scores showed the level in intensity.

As usual, Stormin Ken Norman, 1st squad out, post 1, proceeded to run 25 straight to claim the 1st of the hams that were ALL claimed by 25 straights. And with Santa Claus' presence in the air, we handed out 11 hams instead of the posted 10. The "hams" winning the hams are Ken Norman...Tim Mackey...Sandra Jo Jack...Dennis Minks...Randy Jones...Mike Crepeau...Curt Peterson...Rich Gerlach...Jimmy Brand...Barclay Holscher...Bob Smith. Great shooting everyone, enjoy those delicious hams.

Usually by this time of year the scores suffer a little with the cold, cloudy condition and being all bundled up. Well, last week Curt Peterson posted a 50 straight and claimed the Perpetual Purse, for the SECOND time this season, and yesterday Mike Crepeau walks out and puts up a 49!!! Nothing to it huh Mike. Nice shooting. Following that there were five 48's, a slew of 47's, which got skipped over by the Lewis class, and it went from there. On the 48's, Dennis Minks took it with a 25 straight in HANDICAP. Way to go Dennis. It's good to see that kind of shooting in December. So, here are the SEVEN Lewis Class winners, 14 places paid out.
