

## **Minneapolis Gun Club Jackpot Shoot December 8, 2018**

A good day at the MGC traps. The weather wasn't too bad, the temp was ABOVE average, which is 29 degrees, the winds were light from the south and the cloud cover wasn't as dark as they have been.

Curt Peterson had a good day, shoots a 47 and then backs it up with a 48, which was high for the day. Nice shooting Curt.

Four classes paid out with no repeats. Icing on the cake.

In 2 weeks, December 22nd, MGC will be hosting their annual Christmas Ham Jackpot Shoot. We will be awarding 10 succulent hams for the first 25 straights or next high score. One ham per winner. This will be in addition to our daily Lewis Class payout. Hope to see you there.
