

Minneapolis Gun Club Jackpot Shoot November 10, 2018

What is going on with this weather????? It was 9 degrees this morning and by 10:30 it had reached 13!!! Later in the day it did reach 22 but with the wind chill it was still 9 degrees. It was cold. Luckily there was a south wind, not much, 8 mph, so it wasn't coming in right at you. Still made your eyes water.

Only TWO 25 straights today....Mark Cameron and Jimmy Bowen. Nice shooting Mark. Jimmy's had to have been luck.

1st Class

Jimmy Bowen 46

Dennis Kecker 45

2nd Class

Mad Dog Pederson 39

Leo Switala 39

Ties = Handicap from the back.

Next Saturday MGC will be hosting their annual Thanksgiving Turkey Jackpot. We will be giving away delicious turkeys to share with your family. 1st ten 25 straights or high scores will win the prizes. One per shooter. This will be in addition to our Daily Lewis Class cash prizes.

Thanks to everyone who braved the elements today. The weather guessers are forecasting mid 30's for the Turkey Jackpot. Let's hope so.
