

Minneapolis Gun Club Jackpot Shoot November 24, 2018

A warm day at the MGC traps!!! Well, it was warmer than it has been lately. Temps in the mid-thirties, overcast, even dark at times, with a wind from the west/north west.

With the warm temps came the shooters. We ended up paying out five Lewis classes, 2 places per class, so 10 shooters went home with some cash and there were no repeat pay-outs. That's always good to see.

47 ended up being high score and there were 4 of them posted. Scott Steffen with the 1st one followed by Leo Switala, Denny Kecker, then Jimmy Bowen. Two of those 4 were going home smiling and two not so, depending on the all-important flip of the coin. It ended up being Singles from the back and Scott and Jimmy had 25 straights in Singles so it went from there.

Thanks to everyone who shot today, and welcome to the new shooters to MGC Jackpot shoots.
