

## Minneapolis Gun Club Jackpot Shoot October 27, 2018

Another BEE-U-TIFUL day at the MGC traps. It was overcast for the most part but 55 degrees and NO wind. The NO wind part really made a difference in the scores!!!!

There wasn't one, two or three 49's turned in.....there were FIVE. No 50 straights but FIVE 49's and one of them would have been a 50 except for a blooper shell. Yes, the wad did clear the barrel so, lost target. Next time Dennis.

1st. squad out...first post....birthday boy, Ken Norman misses one of the singles targets and runs the handicap for the first 49. There were also two 48's on that squad, David Maples and Scott Prafke. Nice shooting you guy's. A couple squads after that and Scott Prafke bettered his 48 by one for the 2nd 49. Fourth squad out Dennis Kecker posts a 49. Eleventh squad Renny Lindquist posts a 49 and squad twelve Scott Steffen posts one. Great shooting everybody and Happy Birthday Ken Norman.

Pies....the real prize of the day and everybody was shootin for one. But, there were 10 of 'em to give out and there were eighteen 25's for the day in Singles and Handicap. The pie winners were....Ken Norman...Jeff Rempel...Scott Steffen...Scott Prafke...Leo Switala...Mark Cameron...Dennis Kecker...Jimmy Bowen...Charlie Buehler...Bob Smith and Ray Monson. Nice going guy's.
