

Minneapolis Gun Club Jackpot Warm-up Sunday, September 2, 2018

The MGC Jackpot Warm-up started a little slow due to rain but it cleared up and turned out to be a very nice day. Summer temps with a little breeze to cool you off. Well, some of us were very cold and one guy was on FIRE!!!

It was Scott Steffen's day at the MGC traps. Scott was on the first squad out, and this was when it was still clouded over so the lighting conditions weren't the best. Scott ran the 16 yd targets and then strolled over to the Handicap field and proceeded to run them too!!!

Yeah, that's right, first squad out for the 2018-2019 Jackpot season and he runs 50 straight. Now, the first question that comes to mind, did he play the Perpetual Purse??? You damn right he did!!! Talk about cleaning house. He "earned" 1/2 of the Perpetual Purse, close to \$400.00, a flat of shells, high Lewis score, and a bump to the 27 yd. line for the rest of the Jackpot season. Oh, that bump to the 27 didn't hurt him a bit. Scott ended up taking 2 more of the Lewis Classes. GREAT SHOOTING SCOTT AND CONGRATULATIONS.
