

Minneapolis Gun Club Jackpot Shoot

March 30, 2019

O...M...G.. What happened to the nice weather??? Sunny today? Yes. Snow all gone? Yes. Temperature above minus 15? Yes...kinda. It felt a lot colder than it was...due to the 20 MPH NW WIND with 37 MPH GUSTS!!! Now I know why Dennis Kecker uses those 3 dram 1500 fps shells. Catch 'em before they get to 30 feet high.

OK, maybe it wasn't all that bad, but there was only ONE 25 straight shot!! Nice shooting Mike Gunderson!! High score for the day??? 44 shot by Jeff Rempel. Great shooting Jeff!! Not to take anything away from Jeff but if you remember last weeks results there were FOUR 49'S shot. Weather...what ya gonna do.

Thanks to everyone who shot today. Hopefully next Saturday will be nicer.
