

Minneapolis Gun Club Jackpot Shoot September 22, 2018

A beautiful day at MGC for the start of the 2018 - 2019 Jackpot season. Temps in the low 60's, plenty of sun and a "Owatonna" breeze to make it interesting. A good day to get some rounds in before we get winter.

Ken Norman started it out posting a 25 straight in the singles and finished up with a 46, David Maples posted a 46 also on that 1st squad. But, we all know it usually takes more than that to be High Gun. With the "door" open, in came the Demulling's. Cheryl showed the boy's up right away posting a 48, Jerry grumbled that she stomped him, then later Jerry came in with a 49, and Cheryl grumbled that Jerry stomped her. Ain't love grand???
