

Minneapolis Gun Club Jackpot Warmup August 31, 2019

What a great day to be out shooting. Cloud filtered sunshine with a very light breeze and temps in the mid 70's. One of them day's we'll have to remember in February.

Well, "Hot Shot" Jeff Remple, who ended up in 4th place in the Grand American Handicap, besting some 1996 other shooters, continued with his "hot" streak. First squad out Jeff posts a 47 and then a little later a 48. Nice shooting Jeff.

Terry Peterson and Leo Switala also posted 47's and David Maples came in with another 48. Way to start the season guy's.

The regular Jackpot season will be starting September 21st and will run through the 2nd Saturday in April. Same as last year, \$18.00 per entry and we'll be doing our theme shoots also with added prizes. Shoot the Jackpot at least 20 time throughout the season and you'll have a chance to shoot for the \$1000.00 added money. Jackpots will start at 10 o'clock and end at 4 o'clock.
