

Minneapolis Gun Club Jackpot November 2, 2019

Well, it was REALLY cold shooting at the MGC traps today. A stiff west wind and temps just above freezing. A big thanks to those that shot today and especially to the ones that drove quite a ways to do it.

Scott Steffen was the Hero today!!! He was the only one to post a 25 and to show just how good he is he went out and ran the singles again. A 50 straight in singles today was pretty amazing. Nice shooting Scott.
