

## **Minneapolis Gun Club Jackpot September 21, 2019**

The 2019-2020 MGC Jackpot season got underway with a damp morning, cloud cover, south winds, BUT 80 DEGREES !!! If only we could bottle some of that for later.

Even with the wind the targets were flying really good. First squad out, Jerry and Cheryl Demulling put 48's up, with Jerry running the 'caps. Nice shooting you two. A few squads later, a couple more 48's came in, Jerry with another and Jimmy Bowen with one. But, you all know the saying....ya leave the door open and somebody will walk through it. Last squad of the day, Tom Sletta, who had been working at the table all day and keeping track of the scores, walks out, misses a singles target, and runs the handicap for a FORTY NINE !!! Great shooting Tom. Really good for an old guy and showing up all those youngsters.

So, from now, every Saturday, until April 11th, MGC will be holding their Jackpot Trapshoots. Same program as last year, \$18.00 entry, daily Lewis Class payouts, theme shoots throughout the season, and \$1000.00 added money for those that enter 20 times or more.
