

Minneapolis Gun Club Jackpot February 15, 2020

A very pleasant day at the MGC traps. A south breeze, more sun than overcast, and temps in the mid 30's. So much so that one guy was out shooting in a short sleeve T shirt and a vest. Now, he lives near the Wisc/MN border so that might explain some of that. And then to top all of that, he goes out on the last squad, last post, and hits a 48 for high score. Bob Meyer, that was outstanding....nice shooting.

There were two 47's posted, one for Dennis Kecker and one for Reed Meyer, yeah, same last name. Good shooting guys.

A good turn-out, thanks to everyone who shot today, we paid out 8 places and nobody doubled up. Always good to see that.
