

Minneapolis Gun Club Jackpot February 22, 2020

ANOTHER Beautiful day at the MGC traps !!! 40+ degrees, little to no wind and nice sunny skies. A great day to be out shooting on a winter day.

Now, with that said, for whatever reason 47 ended up being high score. Glenn Linden had 2 of them and Ray Monson had one. Nice shooting guys.

Participation was nice and steady, a good turnout, thanks to everyone who shot today. Some new faces, and somebody signed in on the squad sheet as Wheels.????? Who the hell is that???
