

Minneapolis Gun Club Jackpot February 29, 2020

The weather again, was beautiful today. Bright sunshine, warm temps, 40 degrees and a south breeze. Maybe the luck of the Irish???? That is coming up.

Not a lot of 25's today but the scores were up there. Mad Dog Gary Pederson was observed sitting in the corner talking to himself after posting a 15 in handicap and whatever he said to himself worked. He went out again, hit 24 of the singles and then RAN the Handicap....for yeah, a 49 !!! High score of the day and nobody else got closer than a 47 to him. Nice shooting Gary. Good to see.

In 2 weeks, March 14th, we'll MGC will be hosting their St. Patrick's Day Jackpot Shoot. We'll have randomly place GREEN target in the carousels and when one comes flying out...Don't lift your head to look at it....hit it and you'll receive one of the famous MGC hamburgers to enjoy. One burger per shooter please.
