

# Minneapolis Gun Club Hangover Jackpot

## January 1, 2020

A great day at the MGC Hangover Jackpot today.

A whole bunch of good things....The place was packed...The weather was great for the 1st of January...32 degrees with a SOUTH breeze...A 25 straight on the first squad.Nice shooting Tom Monzel....Lots more 25 straights to follow...lots of new faces.

Thanks to everyone who brought food today to share. The sugar highs were running rampant. And a huge THANKS to everyone who shot today. A great way to spend New Year's Day.
