

Minneapolis Gun Club Jackpot March 14, 2020

Not too bad of a day at the MGC traps, sun came out in the afternoon and the temperature got to the mid 30's. There was a breeze but the targets were good. With that said, I cannot say why we had such a hard time hitting the targets today. Lot's of head shaking out there today and multiple times today I heard. "I'm gonna take 2 weeks off.....and then quit."

High score was a 46, Hunter Brown had the one and only, and there were 3 45's and Hunter got that too. Great shooting Hunter.

Only three 25 straights today, Ray Monson had 2 of them, Bob Meyer the other. Nice shooting guy's.

The good thing, Mark had the Traps LOADED with green targets and I'm pretty sure EVERYBODY got a ticket for a burger or the delicious corn beef and cabbage that Mark cooked up. That kinda made up for the lousy shooting.

Thanks to everyone who braved the Corona virus and participated.
