

Minneapolis Gun Club Jackpot May 30, 2020

It was a beautiful day to be bustin targets at MGC. Sun was out, temps were a little cool but comfortable, and a incoming breeze that would lift the targets at times....like in just as you shot!! But, lots of shooters and lots of winners. Congrats to those that hit the Lewis Class payouts.

Nobody hit the 50 straight but Mr. Tim Mackey came closer than anyone. Tim, who hasn't shot a lot this winter put it together by running the singles and posting a 24 in handicap for a 49. High score of the day. Great shooting Tim. Jerry Demulling got as close as he could to Tim with the lone 48. Nice shooting Jerry. And from there it went.....
